Home   About   Project   Resume   Contact

👋 Hey there! I'm **Nirbhay Kumar** a B.Tech student and tech enthusiast diving deep into the MERN (MongoDB, Express.js, React.js, Node.js) stack. Passionate about transforming ideas into dynamic web experiences, I'm on a mission to explore the limitless possibilities of web development.

📚 Currently on my B.Tech journey, I'm fueled by a relentless curiosity to learn and grow. From tackling coding challenges to staying on the pulse of tech trends, I thrive in the ever-evolving digital landscape.

🌐 Join me as I navigate the exciting intersection of technology and creativity, weaving lines of code into meaningful digital solutions. Let's push boundaries and build something extraordinary together!

Thanks for being here !
